		<p>Revision Date:</p> <p>November 19, 2010</p>

The purpose of this document is to provide all Department Operations Manual (DOM) holders with information regarding the attached amendment to Chapter 5, Article 50.

This Article has been revised in response to the recently adopted Notice of Change to Regulations #10-01, which amended Sections 3090, 3091, 3093, and 3095 under Title 15, Subchapter 2, Article 1, Canteens. The regulation changes raised the monthly canteen draw limit and removed references to forms and procedures that are no longer used under the automated canteen process. Other changes were made to update the Article from its last revision to reflect program name and position title changes made in the 2005 Department reorganization.

Please inform all persons concerned of the contents of this notice, which shall remain in effect until it is incorporated into the next edition of the DOM. If you have any questions, please contact Timothy M. Lockwood, Chief, Regulation and Policy Management Branch, at (916) 445-2269.
